## Personal Summary

A clinical psychologist specializing in individual and systemic transformation from holistic wellness perspective. Experienced in program development, training, implementation, and evaluation for healthcare and behavioral healthcare organizations.

## Clinical Experience

### **Clinical Director | Behavioral Health and Wellness Program | University of Colorado Anschutz Medical Campus | Aurora, CO**

February 2010 – Present

Administrate the Wellness Leadership Institute at the Behavioral Health and Wellness Program in the School of Medicine. Perform program and curriculum development, program evaluation, service delivery, research, training and supervision. Provide consulting, training and evaluation services to healthcare organizations, regarding wellness and health behavior change.

### **President | Spark Inspiration | Fort Collins, CO**

September 2001 – Present

Provide counseling and coaching services from a positive and solution-focused perspective. Areas of interest include health behavior change, identity development, career development and relationships, among others, from a holistic wellness perspective. Engage in consulting services and training to organizations regarding workplace wellness as well as development and implementation of wellness programming. Other interests and specialties include mindfulness, leadership and transformational change.

### **Instructor | UC Denver Student and Community Counseling Center | University of Colorado Denver | Denver, CO**

January 2002 – September 2010

Perform individual and couples therapy with University of Colorado Denver (UCD) students, particularly in the area of addictive behaviors as well as outreach, consultation and prevention activities for the UC Denver Downtown campus. This position also includes acting as a clinical supervisor and clinical faculty for Master's level counseling psychology and counselor education practicum students and interns in the Counseling Psychology and Counselor Education Division in the School of Education and Human Development at UC Denver.

### **Clinical Director | New Directions Eating Disorders Center | Denver, CO**

August 2003 – August 2004

Administrate and develop an intensive outpatient eating disorders program. Perform assessment and treatment with adolescent and adult clients, including intake evaluation, group therapy and consultation.

### **Clinician | Correctional Psychology Associates | Denver, CO**

November 2000 – August 2003

Counsel clients living in the halfway houses managed by Correctional Management Incorporated performing individual and group psychotherapy, intake evaluations, psychological evaluations, and limited case management.

**Primary Care Intern | Health & Counseling Center | University of Denver | Denver, CO**

August 2000 – August 2001

The training program provided an intensive supervised training experience which focused on development of skills in the following areas, brief and longer-term psychotherapy, intakes, assessment/psychological testing, consultation/outreach, emergency coverage/crisis intervention, supervision of graduate students, work with diverse populations, administration, and applied research. The primary care rotation involves working closely with the primary care physicians at the University of Denver Student Health Center, practicing collaborative care approaches and participating in co-consultative care.

**Teaching Experience**
